

# Locker Rental

**Effective 4/1/2021**

Locker rentals are \$3/month for small lockers and \$5/month for large lockers.

If you would like to rent a locker, please see the front desk.

Locker rentals may be added to your monthly bank draft or paid annually.

There will be no refunds given for locker rental fees.

Lockers with locks on them are currently in use.

The YMCA is not responsible for items left in lockers that have not been rented or do not have locks.

You are responsible for locking your locker and ensuring that it is secure.

At the end of each month lockers will be inspected, if we have no record of locker rental and there is a lock on a locker it will be cut off.

Please do not store food, drinks, wet or soiled clothing in lockers.
